COMMERCIAL CLUB FAVORS NEW PLAN

ALL PRESENT SIGN PETITION FOR
ELECTION.

MEMBERS APPROVE COMMITTEE REPORT

Adoption of Commission Form With
City Manager Feature Urged
by Three Men.

Members of the Commercial club in attendance at the meeting held at the Elks club last evening adopted the report of the special committee for the commission form of government for Maryville, and the recommendation that such a proposition should be voted upon before the coming city election.

Forty-four at the meeting signed the petition requesting the city council to call an election for this purpose, and the petition will be presented to the city council at a special meeting to be held tomorrow night. It is necessary to have 25 per cent of the total vote that was cast for the candidates for mayor at the last election, and this number will be secured before the meeting of the council.

Two former mayors, Fred P. Robinson and Arthur S. Robey, as well as Mayor U. S. Wright, spoke on the commission form. Mr. Robinson has made an investigation of that form and is strongly in favor of it for Maryville. Mayor Wright, in his address, was very optimistic about the advancement Maryville will make within the next few years and favored the commission form being preferable to the form we have now.

Other talks were made by Senator Anderson Craig, Charles Hyslop and George Pickens, and they endorsed the change.

Mr. Robinson, in his talk, mentioned that a special election being held soon would not invalidate the local option election held last week.

Fred Hull read the report of the committee.

The election date will probably be set for Tuesday, February 29, when the people will vote whether they want this form of government. If it should

carry, then candidates for commissioners will be selected at a primary, and the two receiving the highest number of votes will be the candidates for mayor, and the next four highest will be placed on the ticket for councilmen at an election to be held soon after the primary. The change is to take effect before the city election is held on Tuesday, April 4.

The report made by the special committee is as follows:

To the Board of Directors and Members of the Maryville Commercial Club:

We, your committee appointed to investigate the merits of the commission form of government with a town manager, beg leave to report as follows:

We have given to the assigned subject such attention as we could and we believe we have found sufficient evidence to warrant the recommendation that the Commercial club is justified in petitioning the honorable mayor and board of aldermen of the city of Maryville to call forthwith a special election for the purpose of allowing the voters of Maryville to express their choice on this most important subject.

First. We have ascertained that Maryville may adopt the commission form of government if a majority of the voters voting at a special election, duly called on the petition of 25 per cent of the vote cast for all candidates for mayor at the last city election, shall so declare.

Second. The commission will consist of a mayor and two councilmen elected at large, they first having been nominated at a primary election.

Third. If the voters shall choose the commission form and the commissioners shall be elected, the laws and ordinances that are in effect at the time of the change in government shall continue in effect until they are altered or repealed by the commission, and all laws and ordinances adopted by the commission shall conform to the rules and regulations for a city of the third class, except when in conflict with the special provisions of the commission form of government.

Fourth. The commission plan permits of great elasticity in the making up of the form of administration. The commissioners may, by a majority vote, appoint a number of officials similar to those provided for cities of the third class, or they may appoint such number of officials as to them shall seem best for the peculiar conditions of the city to be governed, or they may do away with the entire suggested

MRS. JACOB MILLER, 74, DIES

Pickering Woman, 74 Years Old, Had
14 Children, 33 Grandchildren and
4 Great-Grandchildren.

Mrs. Jacob Miller died at her home in Pickering last night at 10:10 o'clock. She had been an invalid for fourteen years and an attack of the grip was the cause of her death.

Mrs. Miller was born in Pennsylvania and was 74 years old. She was married to Mr. Miller in 1861, and they moved to Nodaway county in 1867. They were the parents of fourteen children, eleven of whom are living.

The funeral services will be held tomorrow afternoon at 2 o'clock at the Myrtle Tree church. The Rev. Clarke Weaver of Burlington Junction will conduct the services. The burial will be in Myrtle Tree cemetery.

The county court this morning ordered three car loads of fir lumber and one car load of piling to be used for bridges this year. The lumber was ordered from one of the mills.

MERGING OF AMERICAN AND
STANDARD PLANNED.

INDORSED BY DIRECTORS

Would Be for Promotion of Better
Breed by Stopping Waste of
Duplication.

The merging of the two largest Poland-China Record associations, the Standard and the American, will be accomplished within the next year if the members of the two organizations have opinions similar to their directors.

The vote for such a liquidation and union was unanimous in a joint meeting of the nine directors of the Standard and American at Kansas City Tuesday. Special meetings will be called in both associations as soon as the information concerning the change has been spread broadcast.

The American, with offices in Chicago, is the largest, with 2,100 members. The Standard has 1,250 members. One other association, the National, has about 300 members, chiefly in Ohio and Indiana. The American is the oldest and the National the youngest.

Ray Davis, secretary of the Standard here, said this morning that the chief purpose of the movement was to stop useless competition of the associations with all the attendant wastes of duplication of offices, books and literature, and to center all the efforts upon the advancement and improvement of the breed.

All of the other leading breeds of hogs have one strong association in this country and have profited therefrom by going into new territory and working always for the good of the breed and not for the advancement of the record association. Yet the Poland-China is the one real American breed of hogs.

Both the Standard and the American have almost identical systems of keeping their records, so that little shift would be necessary in this regard. W. M. McFadden is secretary of the American. He and Mr. Davis have been leaders in the proposed amalgamation. The American has not given so much consideration to the Standard until the new building was erected last year and other evidences of strength shown.

What will become of the offices and the new building here are details which will have to be worked out by the eighteen men or the nine directors from each association. For that reason Maryville as a location would still be strong for three of the American directors are from the southwest.

CONSOLIDATION PETITION

Patrons of Clearmont, Maple Lawn, Hedge College, Hickory Grove and Hazel Dell to Vote.

An election will probably be held about March 1 on consolidating the school districts of Clearmont, Maple Lawn, Hedge College, Hickory Grove and Hazel Dell. A petition containing the names of twenty-six taxpaying citizens has been presented to County Superintendent Bert Cooper and as twenty-five is the required number necessary for such an election, Mr. Cooper will be compelled to call an election. The petition was signed by those living outside of Clearmont.

The plan in case consolidation should carry is to have a central school at Clearmont and to transport the children from the rural districts to that town.

A suit on notes was filed today by Thomas O. Hardesty vs. John W. Brogan.

IN ARMORY FIGHT; FINED

JOHN COLDEN ATTACKED LIEUT.
LEDGERWOOD TUESDAY.

Additional Arrests in Armory May
Cause Company to Be Mustered
Out—Police Court News.

John Colden was fined \$5 on a charge of drunkenness and \$10 on a charge of disturbing the peace in police court this afternoon by Mayor Wright. The fines and costs amounted to \$27.20, which were paid.

Colden and Arch Ledgerwood, second lieutenant of Company F, staged a fight at the armory Tuesday, in which Colden received a broken nose and several other bruises, and Ledgerwood several cuts about the face and one hand.

It is claimed that Colden used a butcher knife which was secured from the restaurant nearby. It is also alleged that Colden, who was said to be intoxicated, started the trouble. The warrant was issued by the city on charges of drunkenness and disturbing the peace, and not on the complaint of Ledgerwood.

This is the second time within a few weeks in which arrests have been made at the armory, and the chances are now that the company will be mustered out of service. At least efforts along that line are being made by Captain Kyle Phares, who will go to St. Joseph tomorrow to confer with the Fourth regiment officers.

Two Pleaded Guilty to Gaming.
Bill McMillan and Newt Green changed their plea of not guilty to guilty this afternoon before Mayor Wright, and each was fined \$20 and costs. Green paid his fine and costs and McMillan will pay his probably before evening. These two, with others, were arrested a few days ago for gaming in a room over the Binter & Luger restaurant. There are yet two other gaming cases which will probably be tried tomorrow. They are Alfred Gree and "Shorty" Williams. It is thought that they will also plead guilty.

Sues for \$300 Damages.

A suit filed today by Cook, Cummins & Dawson for Lou McFarland, vs. Katherine McFarland et al. is for \$300 damages and rents of \$50 as the petition claims her interest has been converted by the defendants.

BAINUM QUILTS BUSINESS

UNION BUS COMPANY BOUGHT BY
J. W. KELLEY.

Retiring Owner Has Been Here 18
Years, Health Causing Him
to Sell.

E. H. Bainum, proprietor of the Union Bus Line, has traded his bus line and property where the bus barn is located, to J. W. Kelley of St. Berry for a 240-acre farm, located a half-mile north of that town. Possession will be given February 20.

Mr. Bainum has been in poor health for the past few weeks and physicians have advised him that he will be unable to use one of his legs. He has been at the Mineral Springs at Burlington Junction the past few weeks and intends to return to that resort this evening for a longer stay.

Mr. Bainum has been in the bus business here for the last eighteen years and during all that time has kept up an equipment far ahead of other towns this size. He is to keep a few of the old buses that were used when he first started.

No plans have been made for the future by Mr. Bainum other than to get back his health. He will still make Maryville his home and rent his farm. Mr. Kelley, the new proprietor, has been in the auto business and is an expert mechanic.

A county school board convention will be held in Maryville on Monday, February 28, and the principal address of the meeting will be by former County Superintendent W. M. Oakerson, who is now chief clerk in the state department of education. The president and clerk of each school district in the county is required to attend the meeting. The program for the meeting will be announced in a few days by County Superintendent Bert Cooper.

Senator Tillman Delivers Character-
istic Denunciation of Armor Plate
Interests for Threat.

Special to The Democrat-Forum.

Washington, Feb. 10.—President Wilson told callers today that he does not intend taking another long trip on behalf of the preparedness program. Southern congressmen have been requesting aid in their districts for the legislation.

Senator Tillman, chairman of the senate naval committee today delivered a vitriolic denunciation of the armor plate manufacturers in a report urging immediate passage of the armor bill. The president indorses Tillman's plan.

With President Wilson personally urging both Democratic and Republican members of the house military committee to hasten preparation of bills to carry out the army's part in the national preparedness scheme, indications tonight were that the measures might be ready for the house within two weeks or less.

Hearings will come to a close tomorrow or next day, and it is understood the main features of the bills already have been whipped into shape in which it is expected they will receive virtually the unanimous approval of the committee.

The Democratic members of the ways and means committee of the house are practically agreed upon the incorporation of all revenue bills excepting the sugar legislation into an omnibus measure. This will include all income tax legislation, the establishing of a tariff commission, the taxation of war munitions and possibly an inheritance tax.

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapepsin is noted for its speed in giving relief; its harmlessness; its certain, unfailing action in regulating sick, sour, gassy stomachs. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach trouble has made it famous the world over.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any drug store and then if anyone should eat something which doesn't agree with them, if what they eat lays like lead, ferments and sours and forms gas; causes headache, dizziness and nausea; eruptions of acid and undigested food—remember as soon as Pape's Diapepsin comes in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.

GOOD NEWS.

Many Maryville Readers Have Heard It and Profited Thereby.

"Good news travels fast," and the many bad back sufferers in Maryville are glad to learn where relief may be found. Many a lame, weak and aching back is bad no more, thanks to Doan's Kidney Pills. Our citizens are telling the good news of their experience with this tested remedy. Here is an example worth reading:

T. A. Murray, 707 E. Fourth street, Maryville, says: "I had pains in my back and my kidneys bothered me. Doan's Kidney Pills, which I got at Love & Gaugh's drug store, gave me permanent benefit. I will always recommend them, for they can be relied on."—Statement given March 30, 1906.

Over six years later Mr. Murray said: "All I said in my former recommendation of Doan's Kidney Pills still holds good. I am pleased to confirm it."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Murray has twice publicly recommended. Foster-Milburn Co., Props, Buffalo, N. Y.
